

A Note from  
the founder and owner

RAMADHAN 2009 Creations

*The month of Ramadhan is always a special month for my family. When I was growing up, I remembered the hunger and thirst during the day was nothing compared to the feeling of togetherness at the time of breaking fast with family, relatives or friends.*

*It reminded me of the good food my mother used to cook, the delectable "kuih muih" she used to prepare. It also reminded me of the food that we exchanged with neighbours, in a way, as gifts accompanied with well thoughts throughout the holy month.*

*Due to busy schedules and such, this practice is slowly depleting. However, it is replaced by another "tradition" of giving and receiving **gifts**, during Ramadhan and Syawal. With that, we hope the Ramadhan creations at **AZ Gift Baskets** will still play a role in maintaining the closeness between family, friends, neighbours, employer-employee and business associates.*
